Please complete the Census, it provides critical data for lawmakers, business owners, teachers, headstart and senior citizens programs, veterans and the disabled, other supportive service programs, i.e. utility assistance, support for you and your community. Every year, billions of dollars in federal funding go to hospitals, school district's, city / county governments, roads / sidewalks, food pantries and other community resources based on census data. The results of the census also determine the number of seats each state will have in the U.S. House of Representatives, and it is used to draw congressional and state legislative districts.
